

Stecker ohne Schutzkontakt, polarisiert, schwarz
 Plug without earthing contact, polarised, black

Gewicht / Weight 22 g

Beschreibung / Description

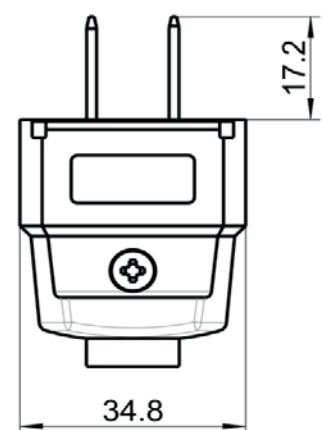

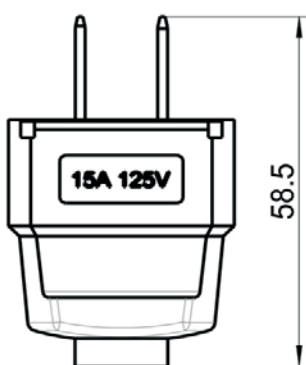

Wiederanschließbare Ausführung

Rewireable

Technische Daten / Specifications

Nennspannung / Rated voltage	125 V~
Nennstrom / Rated current	15 A
Bauart / According to	UL 498
Anschlüsse / Type of terminals	Schraubanschluss / Screw terminals
Kontakte / Material of terminals	Messing / Brass
Kontaktträger / Carrying parts	Thermoplast / Thermoplastic
Gehäuse / Cover	Thermoplast / Thermoplastic
Schutzart / Degree of protection	IP20

Abmessungen / Dimensions

Abisolierung / Wire stripping:

N	L	PE
