19-1062

| Euro-Stecker, ohne Schutzkontakt | | | | | |
|---|---------------------|-------------------------------------|---|---------------|---|
| Euro plug, without earthing contact | | | | | |
| Read P | | | | | |
| | Gewicht / Weight | 9 g | RoHS | KEMA | € |
| Beschreibung / Description | | | | | |
| licht wiederanschließbare Ausführung | | | Not rewireable, for supply line H03VV-F | | |
| für flexible Leitungen H03VV-F | | | 2 x 0,75 mm² | | |
| 2 x 0,75 mm² | | | | | |
| Installation nur durch eine Elektrofachkraft! | | | Installation only by electrical equipment authorized person! | | |
| Technische Daten / Specifications | | | | | |
| Nennspannung / Rated voltage | | | 250 VAC | | |
| Nennstrom / Rated current | | | 2,5 A | | |
| Bauart / According to | | | EN 50075 | | |
| Anschlüsse / Type of terminals | | Crimpanschluss / Crimping terminals | | | |
| Kontakte / Material of terminals | | | CuZn 38 | | |
| Kontaktträger / Carrying parts | | | Polyamid 6 / Polyamide 6 | | |
| Gehäuse / Cover | | | Polypropylen / | Polypropylene | |
