

# ANGLED BACK BOXES

11-1126: DOUBLE GANG BACK BOX

11-1127: SINGLE GANG BACK BOX

Our angled back boxes offer a cost-effective solution for simple bench mounting installations or corner installations.

These pattresses are designed to accommodate standard 1 gang (86×86) and 2 gang (86×146) faceplates.

The angled profile provides ease of access and increased depth allowing for wider range of connectivity.

A selection of mounting holes for allows for ease of installation and the back boxes feature a multiple cable entry knockouts on all sides of the back box as well as the base for maximum flexibility.

Ideal for use by AV installers, voice and data network installer and electrical contractors.
